

Our Vision

Transform the future of
our nation through education

- **Create** high-quality and scalable educational models
- **Unite** people with the mission of education
- **Build** communities of education supporters
- **Form** value-driven and educated generations

Fast Facts

- Ayb created the internationally recognized **Araratian Baccalaureate (AB)**, the first Armenian educational program equivalent to the UK GCE A Level and US AP qualifications.
- **Ayb cooperates with international organizations and leading universities of the world:** UN, UNICEF, the World Bank, University of Cambridge, University College of London, Massachusetts Institute of Technology, Harvard University.
- **The Ayb system comprises 2 schools: Ayb School (Yerevan) and Dilijan Central School** (established with RA Central Bank support).
- **Ayb represents international competitions and educational platforms:** Kangaroo, World Robot Olympiad, fab lab (MIT).

We make **the best education available to everyone!**

Join us to make it happen!
